

Sunday Dec: 7<sup>th</sup> - 1851

I had inclosed a note to the Directors of  
Charente, but it makes my packet too heavy  
with its envelope - Will you kindly re-  
inclose it, address it to "Mons. Boné, de Vordiers  
Directeur de la Maison Nationale de Charente"  
& post it?

Today's reports of Paris troubles are  
unfavorable. The "Inquirer" says M. Baudin  
has been killed, & M. Schaleker wounded.

Miss Weston,  
21 Place Vendôme  
Paris.
